Summary:

Collection of vore fics for the IT fandom I will write

IT vore fics

Stan and Richie were currently in Stan's house making out as Stan's parents weren't home and wouldn't be for a few hours and their relationship was still secret to the rest of the losers, though they both knew that wouldn't last much longer but they were enjoying their time alone. Stan's hands were all over Richie's body but mostly pulling some at his hair, something Richie really enjoyed having happen. He then slipped a hand into Richie's pants and groped at his ass causing him to moan into his mouth. Stan then pulled away and told Richie to strip his clothes as Stan took off his pants, he then told Richie to put his big mouth to use, which Richie knew at this point meant giving his boyfriend a blowjob, which he was happy to do taking the seven inch dick into his mouth. Stan moved his hands to Richie's hair to help guide him along and pull at causing him to moan around his dick, after a few minutes Stan took Richie off his dick and turned him around and fucked him hard causing Richie to moan incoherently. After a few minutes of that Stan came with a moan and jerked Richie off causing him to cum as well.

Richie collapsed onto Stan's bed, Stan following suit a few seconds later. Stan then told Richie to lay down completely and Richie followed the orders given to him, excited not knowing what was going to happen, Stan also told him to relax and not worry about what was going to happen. Stan then moved his head to Richie's feet and took them in his mouth licking around his toes some. Richie moaned at the new feeling causing Stan to want to continue, and he did swallowing to his dick and licked around some getting Richie to cum again, then moved Richie around so he was at his ass and swirled his tongue around the rim some before pushing his tongue in making Richie moan once more. After a few minutes of that Stan swallowed more fully taking Richie into his stomach and he rubbed his hand on his stomach. Richie was trusting Stan to not kill him so he was mostly relaxed, and the tingling feeling helped relax him as well, he slowly drifted off to sleep. After about an hour Richie reformed and they agreed they would definitely do that again then left to meet up with the rest of the losers.
